I. DECISION ADOPTED BY THE CONFERENCE OF THE PARTIES SERVING AS THE MEETING OF THE PARTIES TO THE NAGOYA PROTOCOL ON ACCESS AND BENEFIT-SHARING

NP-4/1. Budget for the integrated programme of work of the Secretariat

The Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol on Access and Benefit-sharing,

Recalling its decision [3/16](#), in which it approved the budget for the biennium 2019-2020,

Recalling its decision NP-EM-1/1, in which it approved the extension of the budget for the biennium 2019-2020 and, on an exceptional basis, a core interim budget for 2021,

Considering the decision to hold the fourth meeting of the Conference of the Parties in two parts, Part I from 11 to 15 October 2021 and Part II from 25 April to 8 May 2022, due to the constraints caused by the COVID-19 pandemic situation, and that the consideration and adoption of a regular or full budget has been planned to take place during Part II of the meeting,

Noting, therefore, the need to make arrangements to allow the continued functioning of the organs of the Protocol, including its Secretariat and the meetings of its Parties and its subsidiary bodies,

Taking note of the proposal of the Bureau of the Conference of the Parties that, on an exceptional basis, the Parties consider and approve an interim budget for 2022 through agreed modalities,

Recalling the importance of early and easily understood information on financial and administrative matters, to enable Parties to benefit from and support an effective and efficient Secretariat,

Also recalling the need for inclusive decision-making at the meetings of the Conference of the Parties and of the Parties to its Protocols and, in particular, the provisions of paragraphs 35 to 44 of decision 14/37 on the Special Voluntary Trust Fund (BZ) for Facilitating the Participation of Parties in the Convention Processes,

Recognizing the exceptional nature of the circumstances arising from the pandemic and expressing solidarity with all Parties as they face the human and economic impacts of the ongoing pandemic,

Having considered the note by the Executive Secretary,¹

1. *Approves*, on an exceptional and interim basis, a core programme budget for the Nagoya Protocol on Access and Benefit-sharing of 2,028,350 United States dollars for the year 2022, representing 11 per cent of the integrated interim budget of 18,439,546 United States dollars for the year 2022, for the purposes listed in tables 1a and 1b below;

2. *Adopts* the scale of assessments for the apportionment of expenses for 2022, in accordance with the current scale of assessments for the apportionment of the expenses of the United Nations, as contained in table 2 of the present decision, noting that the scale of assessments for the triennium 2022-2024 is expected to be approved by the General Assembly of the United Nations in December 2021 and that the new scale of assessments will be applied, when released, to calculate the assessed contributions for 2022;

3. *Requests* the Executive Secretary to prepare proposals for the budget for the biennium 2023-2024 pending a decision by the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol regarding the dates of its fifth meeting;

4. *Notes with concern* that a number of Parties have not paid their contributions to the core budgets (BY, BG and BB trust funds) for 2020 and prior years, including Parties that have never paid their contributions, and also notes that, in accordance with the International Public Sector Accounting Standards adopted by the United Nations,² an amount estimated at \$146,000 for the Nagoya Protocol, outstanding at

¹ CBD/NP/MOP/4/3.

² See General Assembly resolution 60/283, sect. IV.

the end of 2020, must be deducted from the fund balance and therefore cannot be used for the benefit of all the Parties to the Protocol;

5. *Decides* to apply, *mutatis mutandis*, paragraphs 2 to 4 and 6 to 12, 14 to 17 and 19 of the decision adopted by the Conference of the Parties at its fifteenth meeting (Part I).

II. ACCOUNT OF PROCEEDINGS

INTRODUCTION

1. Following the invitation of the Government of China and as decided by the Conference of the Parties in its decision XIII/33, the fourth meeting of the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol on Access to Genetic Resources and the Fair and Equitable Sharing of Benefits Arising from Their Utilization was scheduled to be held in Kunming, Yunnan Province, China, from 15 to 28 October 2020, concurrently with the fifteenth meeting of the Conference of the Parties to the Convention on Biological Diversity and the tenth meeting of the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol on Biosafety. Owing to the ongoing coronavirus disease (COVID-19) pandemic, however, the meetings were postponed, initially until late May 2021 and then again as the pandemic persisted.

2. After extensive consultations and considering the challenges that the pandemic still posed for in-person meetings, the Bureau of the Conference of the Parties to the Convention on Biological Diversity, which also served as the Bureau of the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol, had decided, at its meeting held on 14 July 2021, to hold the fourth meeting of the Parties to the Nagoya Protocol in two parts: the first part (part I) to be held online from 11 to 15 October 2021 and the second part (part II) to be held in person in Kunming, China, from 25 April to 8 May 2022. Part I of the meeting was held online.

Election of officers

Election of the President

15. Pursuant to article 26, paragraph 3, of the Nagoya Protocol, the Bureau of the Conference of the Parties also serves as the Bureau of the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol. Accordingly, Mr. Runqiu Huang, Minister of Ecology and Environment of China, who had been elected President of the fifteenth meeting of the Conference of the Parties, also served as the President of the fourth meeting of the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol.

Election of officers other than the President

16. Article 26, paragraph 3, of the Nagoya Protocol stipulated that any member of the Bureau of the Conference of the Parties who was representing a Party to the Convention that was not a Party to the Protocol must be substituted by a member elected by and from among the Parties to the Protocol. At its fourteenth meeting, the Conference of the Parties had elected 10 members of the Bureau to serve until the closure of the fifteenth meeting. Two representatives had subsequently been replaced by the Party concerned. At its third meeting, the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol had elected substitute Bureau members for those regions where the member of the Bureau of the Conference of the Parties represented a Party to the Convention that was not a Party to the Nagoya Protocol. Accordingly, the Bureau for the fourth meeting of the Conference of the Parties comprised:

Mr. Eric Okoree (Ghana)
 Mr. Melesse Maryo (Ethiopia)
 Mr. Vinod Mathur (India) (replacing Ms. Sujata Arora)
 Ms. Leina El-Awadhi (Kuwait)
 Mr. Dilovarsho Dustov (Tajikistan)
 Ms. Elvana Ramaj (Albania)
 Mr. Joaquin Salzberg (Argentina)
 Ms. Helena Jeffery Brown (Antigua and Barbuda)
 Ms. Gabriele Obermayr (Austria)
 Ms. Marie Haraldstad (Norway)

17. As some of the work mandated by the Conference of the Parties at its fourteenth meeting was to continue until the closure of part II of the meeting, Mr. Hamdallah Zedan (Egypt) was invited to remain a member of the Bureau, ex officio, as the representative of the Presidency of the fourteenth meeting of the Conference of the Parties.

18. It was agreed that the officers who would take office at the closure of the fourth meeting and serve until the end of the fifth meetings would be elected at part II of the meeting, at which time the Conference of the Parties serving as the meeting of the Parties would elect replacements, as necessary, for those members of the Bureau that represented a Party to the Convention but not a Party to the Nagoya Protocol.

19. At the opening plenary session of part I of the meeting, on 11 October 2021, it was agreed, on the proposal of the Bureau, that Ms. Elvana Ramaj (Albania) would serve as Rapporteur for the meeting.

At the opening session of part I of the meeting, on 11 October 2021, the Conference of the Parties decided to postpone the elections of the Chair of the Subsidiary Body on Scientific, Technical and Technological Advice and of the Chair of the Subsidiary Body on Implementation until the end of the second part of the meeting. The Conference of the Parties also decided to maintain the Co-Chairs of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework in office until the second part of the meeting.

Item 3. Report on the credentials of representatives to the fourth meeting of the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol

21. The Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol took up agenda item 3 at the opening plenary session of part I of the meeting, on 11 October 2021. In accordance with rule 19 of the rules of procedure, the Bureau was to examine and report on the credentials of delegations. Accordingly, the President informed the body that the Bureau had designated Mr. Eric Okoree (Ghana), a Vice-President of the Bureau, to examine and report on credentials.

22. At the second plenary session of part I of the meeting, on 15 October 2021, Mr. Okoree informed the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol that 104 Parties were registered as attending the meeting. The Bureau had examined the credentials of the representatives of those Parties and had found that the credentials of 67 delegations were in full compliance with rule 18 of the rules of procedure, while the credentials of 37 delegations did not fully comply with rule 18 or had not yet been presented. As the Bureau understood the extraordinary situation facing some delegations, it was allowing delegates who had not yet submitted their credentials 30 days following the closure of meeting, or until 15 November 2021, to do so, and had requested the Executive Secretary to follow up on the matter.

Item 4. Reports of subsidiary bodies

23. Agenda item 4 was considered at the second session of part I of the meeting, on 15 October 2021. In considering the item, the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol had before it the reports of the Subsidiary Body on Scientific, Technical and Technological Advice on its twenty-third meeting (CBD/SBSTTA/23/9) and part I of its twenty-fourth meeting (CBD/SBSTTA/24/11); the Subsidiary Body on Implementation on part I of its third meeting (CBD/SBI/3/20); and the Open-ended Working Group on Post-2020 Global Biodiversity Framework on its first, second and part I of its third meetings (CBD/WG2020/1/5; CBD/WG2020/2/4; and CBD/WG2020/3/4).

24. The Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol then heard oral reports from, the Subsidiary Body on Scientific, Technical and Technological Advice, the Subsidiary Body on Implementation and the Co-Chairs of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework on the work done since the previous meeting of the Conference of the Parties, including an explanation of the various means used to circumvent the limitations imposed by the COVID-19 pandemic.

25. The Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol took note of the reports on intersessional meetings of subsidiary bodies and agreed to consider the recommendations contained in the reports under the relevant agenda items at part II of the meeting.

The Committee had considered a number of substantive matters, including the submission of interim national reports and a number of general issues of compliance. The substance of the recommendations of the Committee would be considered during part II of the meeting, when a more detailed and updated report would be provided.

28. The Chair of the Compliance Committee also said that the term of five of the Committee's members had been due to expire on 31 December 2020, but, as the fourth meeting of the Parties had been delayed, it had not been possible to elect new members before those terms expired. In consultation with the Bureau, the terms of those members had therefore been extended until 31 December 2021 and the election of new members was now foreseen to take place during part II of the meeting, in Kunming, in 2022.

29. The Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol took note of the report by the Chair of the Compliance Committee and decided to defer consideration of the

recommendations of the Compliance Committee and the election of new members until part II of the meeting. It decided to extend for a further year the terms of the five Committee members; accordingly, their terms would now end on 31 December 2022.

30. The Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol took up agenda item 6 at the opening plenary session of part I of the meeting, on 11 October 2021. 31. The Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol decided to establish a budget contact group with a mandate to review the matter and prepare a draft budget for the programme of work for 2022, for the consideration of the Parties.
